### **Head of School News**

What a brilliant time we had during our Healthy Body and Healthy Minds Weeks! It was so wonderful to see the children working together and encouraging each other. Our Sports Mentors really supported class teachers with the planning and delivery of these events. We have decided that this will become an annual event, so sports mornings and afternoons will continue to be in the first part of the Summer term. Ms. Amis created a real buzz around sport and PE, and we are looking forward to raising the profile of this subject next year.

We are also delighted that every year group has had the opportunity to go on a trip this term, and these have been great successes. Our Facebook page looks lovely, full of happy, smiling children who are learning beyond the classroom. Please do check it out, and we love reading your positive comments.

We are currently working towards achieving School of Sanctuary Status. We launched this by participating in the Day of Welcome, which focused on Home and the meaning of this to different groups. We will be continuing this project, and our aim is to create a display around this theme. We have added some information about what it means to be a School of Sanctuary school and what we need to do to achieve this status to our website – <https://www.brundallprimary.com/school-of-sanctuary/>

We would love this to become a whole school community project, so please check out what this is all about.

There will be a number of projects next academic year that will ensure that we achieve this status. More details to follow.

### Reception News

Reception are making discoveries about creatures on land and under the sea. This half term started with a special delivery of tiny caterpillars. The children have been patiently observing the changes over time. This is giving us our first experience of the life cycle of butterflies. This week, we are excited to be going on our trip to see "The Lion Inside" at the Norwich Play House. This play is based on a book by one of our class authors, Rachael Bright, so it's fantastic to be able to see the story come to life on the stage. We must make a special mention of our Sports Day. The children displayed great sportsmanship and determination. It was so lovely to have such a great turnout of parents supporting us. As the final weeks of the summer term approach, we will be diving into the wonders of the sea. We wonder where our learning will take us next?

### Year 1/2 News

Year 1/2 had an amazing day exploring Cromer and delving into its history. The highlight was definitely enjoying ice creams and lunch on the beach, but we also learned a great deal! Our day included strolling along the seafront, discovering lifeboats at the Henry Blogg museum, and reflecting on Cromer's past at the Cromer Museum.

It was wonderful to receive compliments from locals about our school's kindness, engagement, and politeness. What a fantastic day it turned out to be!

### Year 3/4

On Friday 7th June, the Year 3/4 students visited West Runton. They spent the day rock pooling, fossil hunting, and creating beautiful artwork using sand and natural materials.

### Science Club

Science club have been exploring with magnifying glasses. We explored the close detail on leaves and flowers, as well as finding some fascinating mini beasts around the playground.

### Year 5/6 News

Last week, Year 5/6 enjoyed an assembly with author Sharna Jackson (one of our class namesakes). She told us all about her writing process, and we'll be using some of her ideas this week in our writing lessons. We are also making seasonal salads in our DT lessons this week. We started with a taste test. Needless to say, there was a full range of facial expressions on show!

### What an amazing day at the cricket!

Despite our team's lack of experience, they managed to overcome it with their hard work and exceptional teamwork. Well done to everyone involved!

The Year 5/6 girls had a fantastic day playing cricket and even secured a place in the top 4.

## Sports For Schools

A huge thank you to all those who contributed to the Sports for Schools sponsorship event. Thanks to your support, we have managed to raise an incredible **£2393.81**.

These generous donations will be used to buy sports equipment for our school, which will greatly improve the children's learning experience.

## Reading Champions

On Monday, 24th June, our reading champions will host a final fundraiser before the school year ends. Right after school, in the hall, there will be a tombola, a book swap (feel free to take a book), and a "guess the name of the Reading dragon's sibling" activity.

We would love to see you there!

**THANK  
YOU!**

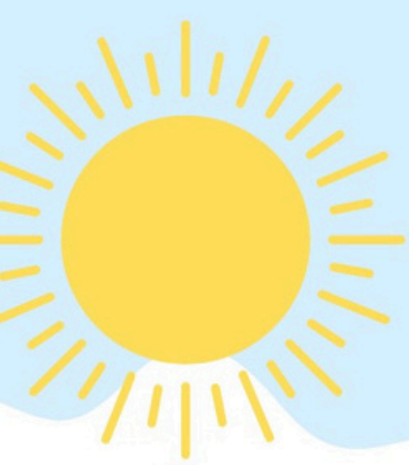

## FOBS School Disco

What a truly wonderful evening the children had, A huge thank you to all of our wonderful FOBs team for organising this event.

We are very fortunate to have an excellent team who not only attend events at the school with their children they give up their time to assist with the events as well.

FOBs are always looking for new members or volunteers to assist at events.

We would like to thank the parents, who generously give up their time to support the school – THANK YOU.

be extraordinary

# Brundall School Library

Are you passionate about books?

Do you have a few spare hours each week?

If so, would you like to help voluntarily in the school library.

We are currently seeking someone to help in maintaining and organising our wonderful library.

If you can help us, please contact the school office at 01603 712597 or email us at [office@brundall.norfolk.sch.uk](mailto:office@brundall.norfolk.sch.uk)

# BABY PEEP GROUP

Babies and crawlers welcome

# peep

supporting parents and children to learn together

Join us for our Baby PEEP group. We share ideas and activities that support your child's learning and development in everyday life - talking, singing, sharing books and playing together. They're also a great way to get to know other families.
