### Head of School News

Welcome back to school. It has been a fabulous start to the school year - the children have been settled and calm, and it has been great to see how engaged they are in their learning. The children have demonstrated that they are ready to follow our four values of resilience, honesty, safety, and kindness.

Please remember to check our Facebook page, as this gives you a real insight into what life in school is like. If you would like to have your child included, please ensure that you have given us the photo consent.

Thank you to all the families who came along to our welcome meetings - we hope that you found them informative. If you were unable to attend these meetings, we have added this information to the website and updated the staffing page.

In this newsletter, we have included some dates for the diary, including open evening and Christmas performance dates.

### SCHOOL UNIFORM

It is lovely to see the children in their uniforms but please, please, please can we ask that all items be named so that if they do become separated they can be swiftly reunited!

Outside the school office, there are pre-loved uniform items available, including winter coats. Feel free to come and take a look.

### ATTENDANCE

Thank you to all of those parents who are making a real effort to ensure good attendance at school. As mentioned before, there is a proven link between those children who have good attendance rates and those achieving the best grades so helping their future life chances. The start of the school day is a really important time. It settles the children, they are given key messages for the day, and early work is provided to go over previous learning and to introduce new areas. If your child is late then they miss these things.
